

MISSION STATEMENT

«To have a perfect control of Development, Manufacturing process & Selling of In Vitro Diagnostic liquid reagents with a strong focus on our Customer vision»

Your R&D Partner

DiAgam manufactures **reagents for immunoturbidimetry**.

Our company specializes in high technology R&D, based on immunology technologies. DiAgam is the creator of liquid laboratory reagents containing **gold particles**.

We are currently taking part in a project to develop **new nanotechnologies** based on the use of **colloidal particles** in the field of medical diagnosis. This activity has also succeeded in completing our products range with Cystatin C, Ferritin & Rheumatoid factor.

Manufacturer of ready-to-use reagents

All our products are developed and manufactured within the company.

Our reagents, controls and calibrators are liquid, stable and ready to use on **all opened biochemistry analyzers even with barcodes** (Abbott - Alinity – Architect, Beckman Coulter – AU series, IDS-iSYS Multi-Discipline Automated System, Menarini – Zenit RA, Mindray BS series, Ortho - VITROS[®] 5,1 FS Chemistry, VITROS[®] 4600 Chemistry, VITROS[®] 5600 Integrated Systems, Roche - Modular[®] - COBAS C, Siemens - Advia[®] 1800 - Advia[®] 2400 - Atellica[®], Thermo-Konelab[®], etc...)

DiAgam is a member of the National Association of **European Diagnostic Manufacturers Association (EDMA)**. All reagents are **CE** labelled and DiAgam is certified **ISO 9001:2015** and **ISO 13485:2016**.

All calibrators and controls are traceable to the **International Standards** (WHO, IFCC, NIBSC, etc.)

Worldwide reliability

DiAgam is present all around the world. We sell directly in Belgium, France, Spain & Portugal. We also export to French Speaking African countries, Argentina, Brazil, Czech Republic, Greece, Hungary, India, Mexico, Morocco, Poland, Sri Lanka, Ukraine, Vietnam, etc.

Thanks to our **manufacturing flexibility**, we can propose all our parameters in three different packagings: **Kits** especially dedicated to particular analyzers, **Vials** filled and **Bulk**, available under **DiAgam** label or in **OEM**.

We respect our philosophy by offering our customer, a **high quality of our products** with a most **competitive price** along with a continuous quest to **satisfy their needs**.
